

ALUMNI LEADERSHIP CELEBRATION

Thank you for attending this year's Alumni Leadership Celebration, and for your continued support of Grand Valley State University.

Over 29% of all Grand Valley students qualify for the new Pathway Scholarship, which helps middle-income students who do not qualify for federal need-based aid. As a result, students from these families often borrow more and graduate with greater debt.

During tonight's event, if you feel inspired to help them, please scan the QR code below to make a gift, or use your credit card at the registration table.
